

Coravin... So You Can Try It By The Glass

Coravin, Inc. is a company based in Burlington, Massachusetts that manufactures products for the wine industry. Its first product, the Coravin Wine Preservation Opener, pours wine without removing the cork from the bottle.

By Winemaker Orin Swift, 2014 Bootleg Blend ~20

Nothing Says I'm drinking a cool bottle of wine, like drinking an Orin Swift blend with a label featuring an X-ray image of a businessman trading in grapes. This delicious blend is full of aromas of fresh blackberry compote and mocha. On the palate, it exhibits flavors of black currants and blueberries with hints of cigar box and exotic spice.
